Skin Productions' Pride Fest Unified, June 16

The dance floor at Fantasy Nightclub in Boystown was packed with a sea of shirtless men on Saturday night, June 9, and well into the early morning hours of June 10 for the monthly Octane Party from SKIN Productions.

DJ Toy Armada delivered.

His beats were high-energy and the dancing was non-stop for hours.

DJ Toy Armada always delivers, and Chicago's LGBT community certainly loves this energetic, ever-smiling Manila resident who has multiple gigs annually in the city.

Earlier this month, Armada was in the DJ booth at One Magical Weekend in Orlando.

The SKIN Productions' dance party continues on Saturday night, June 16, with Pride Fest Unified at Fantasy Nightclub in Boystown, starting at 11:30 p.m. DJ Alain Jackinsky brings the beats and the event is a fundraiser for the [Test Positive Aware Network](#) (TPAN).
